Hybrid Inverter 6kW The Afore ATON AK6K-SL low voltage storage Inverters are designed to increase energy independence for homeowners. The power range is 6kW and compatible with low voltage Afore battery packs. Energy management is based on time-of-use and demand charge rate structures, significantly reduce the amount of energy purchased from the public grid. The [...]

Explore the pinnacle of home energy storage efficiency with Pytes Energy V5° Lithium Battery paired with the Afore energy storage Inverter. Join us as we dem...
