The Mount Majura Solar Farm site is leased from Mount Majura Winery in the Australian Capital Territory (ACT) and will have the capacity to power the equivalent of up to 260 homes, thereby displacing the need for 1,700 tonnes ...

"I love my 2 piece bask swimwear Halter top with high pant, the fabric feels lush and the fit is perfect. I adore the colour of Aegean Sea! It makes me smile when I wear it!"

Bask Eyewear is an evolution of a lifestyle spent wherever the sun is shining. Sun safety and vision protection are at the forefront of the brand to develop a modern fashionable product with a difference. No detail is left untouched, so you can enjoy carefree basking for summers to come.

Bask Bokarina represents GVG's third luxury residential development on the Sunshine Coast, after the incredible success of Revive at Birtinya and Zinc Bokarina. Featuring two stunning towers with 135 apartments in total, BASK ...

Welcome to Bask's Product Store, your one-stop-shop for innovative solar energy solutions that'll make your life greener, and more sustainable and your wallet heavier. Our high-quality inverters and batteries are the rockstars of the solar world, helping you reduce energy consumption, save costs, and lower your carbon footprint.

Customized Solar Solutions for Residential, Commercial, and Industrial Clients. Our installation process is as smooth as a sunbeam, starting with a consultation to understand your energy goals and requirements, followed by a proposal outlining the scope of the project.

baskk was born in the land of endless summers, seaside adventures, and the laid-back Aussie philosophy. Founded by love duo Aimee and Brad, it's an ode to the place they call home -- the Sunshine Coast in Australia.

Bask Bokarina represents GVG's third luxury residential development on the Sunshine Coast, after the incredible success of Revive at Birtinya and Zinc Bokarina. Featuring two stunning towers with 135 apartments in total, BASK offers a range of one, two, three and four bedroom residences and the exquisite Penthouse Collection, within just 100m ...
