Battery container manufacturer U S Virgin Islands

Honeywell will provide VIElectron, a CB Loranger Company, battery energy storage solutions for six solar + storage projects across the U.S. Virgin Islands. When completed, the solar and storage portfolio will boost the islands' decarbonization efforts by fulfilling 30% of its energy consumption through renewable sources.

In a groundbreaking collaboration, CB Loranger Companies, operating as VIElectron, has joined forces with Honeywell and the U.S. Virgin Islands Water and Power Authority. This transformative partnership aims to implement cutting-edge Battery Energy Storage Solutions (BESS) across six strategically positioned solar parks in the U.S. Virgin Islands.

This visionary partnership is set to transform the energy landscape of the US Virgin Islands through the deployment of cutting-edge Battery Energy Storage Solutions (BESS) across six strategically positioned solar parks. The implications are monumental, with massive cost savings and a resounding commitment to decarbonization.
