

Need reliable 12V Class 2 power supplies? Discover UL-certified options with overload protection and customizable features. Compare prices from verified suppliers now!

These IP68 Multi-Turn Linear Electric Actuators find extensive use across diverse sectors such as electric power, metallurgy, petroleum, chemical ...

MILTECH 16SER is a MIL-STD rugged, military-grade Serial over USB unit, offering 16 Serial ports over USB. Interface through sealed MIL-STD circular connectors, with a 24VDC power ...

Align the red positive terminal and black negative terminal with both ends of the battery, and slide the voltage switch to the appropriate voltage for measurement. It has 3 ...

Powerwall can power your entire home with one unit, making whole-home backup protection more affordable. Each unit is self-contained with an ...

Are you looking for 24V power supply units (IP65/IP68) with a particularly high degree of protection? Here you will find powerful and particularly robust 24V switched-mode power ...

Battery to battery chargers are charging devices that are put between typically a starter battery and a service / domestic battery (output). They ...

The actuator specialist AUMA are one of the leading manufacturers of electric actuators, actuator controls and valve gearboxes for the automation of industrial valves in the oil and gas industry. ...

This durable, outdoor network enclosure comes with a power supply that provides up to 200W (55V DC, 3.6A) of power to industrial equipment, ...

The Trackhawk GPS is a compact and ultra-rugged battery-powered waterproof GPS tracker featuring 7+ years long battery life. The size and ...

All-in-one function with Power supply, DC-UPS, battery charger and status monitoring in ONE compact unit Signal and alarms design meet UL2524, NFPA1221, BS EN/EN54-4 and ...

The world's top pioneer manufacturer of standard power supplies in industrial, medical and critical applications with global safety certificates and ship from stock.

Active current sharing up to 10 rack shelves (DHP-1UT-B) and the maximum power supply that can be

Electricity unit multi battery ip68

connected in parallel is 40 units Built-in I 2 C interface, support PMBus/CANBus ...

Sterling BBS1230 12V/12V 30A Battery to Battery charger plus 350W MPPT solar controller. Compatible with smart alternators (Euro 5 & 6 engines).

Are you looking for 28V power supply units (IP65/IP68) with a particularly high degree of protection? Here you will find powerful and particularly ...

Versatile multi-parameter sensor with pressure, pH, ORP, conductivity, salinity, turbidity, DO, chlorophyll, algae, and more. IP68, MODBUS, 12V
