Reports, financial statements, shareholder data and filing documents of Orbis Green Energy Technologies Limited, company number 120124, Gibraltar Dato Capital Home

Gizmag was in Gibraltar today at the ribbon cutting event for Eco Wave Power's (EWP) innovative wave energy station, installed on the ammunition jetty in the tiny-yet-iconic British territory.

Gibraltar's location offers significant potential to use renewable energies to meet its growing energy needs and reduce its carbon footprint. The ECOWAVE pilot project developed wave energy devices that successfully generate electricity and connect simply to the grid.

Solarcentury Africa, His Majesty's Government of Gibraltar and the Gibraltar Electricity Authority have entered into a build, own, operate and transfer agreement for a 14 MWh (AC) battery energy storage system to be located next ...
