Who is Sona solar Zimbabwe?

At Sona Solar Zimbabwe, we are committed to providing our customers with the most advanced and reliable solar energy solutions. Today, we're shining a spotlight on SAKO, a leading manufacturer of solar inverters renowned for their quality, performance, and affordability.

Will a 1GW solar plant increase Zimbabwe's energy generation capacity?

While the proposed 1GW plant would significantly increase Zimbabwe's overall energy generation capacity, it caters to the national grid. For individual homes and businesses, the focus remains on installing smaller, yet highly impactful, rooftop or ground-mounted solar systems.

Why should I hire a professional for my solar system?

Hence it is of utmost importance to have your proposed solar system designed and sized by a qualified professional. As a company, we have successfully completed close to a thousand installations over nine years with each project different in size and scope. We have done both commercial and home installations, on and off-grid setups.
