

Large battery server enclosure

ICS battery enclosures, cabinets, and battery racks can be manufactured as standard or custom designed to accommodate any battery string configuration.

Our engineering team welcomes the opportunity and challenge to design a customized server rack or electronics rack enclosure solution to your exact specification.

Rather than just using one type of server rack battery, our cabinet contains both EG4 LL and EG4 V2 Life Power 4 batteries, giving us more options for customization. Even better than that, if ...
