

Oman eirgrid smart grid dashboard

What is EirGrid dashboard?

The Smart Grid Dashboard is an EirGrid Group web-based application that enables users to view and compare some of the key all island power system statistics and graphs in one location. smartgriddashboard.eirgrid.com. The Smart Grid Dashboard is an EirGrid Group web-based application that enables users to view and compare some of the key all isla...

What is the smart grid dashboard?

Switch your view between All Island, Ireland, and Northern Ireland data to compare and understand more about energy on our island. The Smart Grid Dashboard is an EirGrid Group web-based application that enables users to view and compare some of the key all island power system statistics and graphs in one location.

Will EirGrid be able to track wind energy in Ireland?

We started tracking data from EirGrid's Smart Grid Dashboard in 2020, and the real-time 15-minute SCADA readings via the Dashboard have been immensely helpful in illustrating wind energy's role in Irish electricity generation. We have been hoping such detailed data would also be available for all ge

What data can I See in EirGrid?

You can partition data to see just data from the Republic, from the North, or all-island statistics. In this tab from the Eirgrid dashboard, you will be able to see the national electricity production in real-time as well as its demand forecast.

What is the EirGrid grid code?

Eirgrid plc has a set of rules they need to follow, as does anyone involved in the electricity industry in Ireland, this is known as the Grid Code. The Eirgrid Grid Code is always evolving and indicates the rules and guidelines which need to be followed for the maintenance, operation, and development of any electricity grid user.

Who owns EirGrid?

The Eirgrid group is owned by the Irish government. Under ISEM, the Eirgrid Group also owns SONI (System Operator of Northern Ireland) and operates the all-island distribution network. What Does Eirgrid Do? EirGrid develops and operates the electricity grid for Ireland.
