What makes Adven a sustainable company?

Sustainability is at our core, paving the way for a better tomorrow for the next generations. Adven is an energy group, driving the energy transition by developing sustainable, competitive solutions in partnership with customers and suppliers.

Who is Adven Sweden?

Back then, Adven Sweden was a small company with four employees offering geenergy solutions. Adven expands to Latvia with the focus of developing more sustainable district heating services in the areas of Cesis and Valmiera. Adven is acquired by the owners of V&#228;rmev&#228;rden. The journey of two becoming one begins.

What is Adven's history?

Adven's history as an energy group, dates to a time where oil or coal was the solution to enable major progress in our societies. Since then, time has changed, and so has our mission.

How did Adven improve its management team?

Both the management team and the governance of the Company was strengthened, and core business processes were improved. Adven is the leading provider of sustainable and business critical energy infrastructure and services in Finland, Sweden and Estonia.

What is Adven's Energy Outlook?

Adven's Energy Outlook #4 deep dives into the situation in the market right now - and suggests strategies on how to navigate forward. Welcome to join us! Working with energy and industrial water is driving the energy transition for real. We are proud to create solutions for a better tomorrow.

Who are Adven and v&#228;rmev&#228;rden?

The two companies, Adven and V&#228;rmev&#228;rden, continue their common journey as Adven. With the ambition of being the leading partner in the energy transition, Adven and V&#228;rmev&#228;rden came together under the name Adven in 2022. The journey started when Adven was acquired by the owners also owning V&#228;rmev&#228;rden 2020.

The local heart and global mindset are important ingredients in Adven's way forward. But it is Adven's dedication to customer relationships that truly distinguishes them from competitors. It's committed long-term partnerships that will lead to sustainable impact, crucial for all of us.

Adven is an energy group, driving the energy transition by developing sustainable, competitive solutions in partnership with customers and suppliers.
