

Turks and Caicos Islands bsl new energy co limited

BSLBATT FlexiO series provides a highly integrated solar battery storage system, designed to enhance performance and reduce costs for stationary commercial and industrial energy storage applications.

We specialize in the research, development and manufacturing of lithium-ion batteries and are committed to promoting the development of the new energy industry. Our products are widely used in home and business, electric forklifts, ...

BSLBATT 48v 300Ah Li ion rack mount lifepo4 battery is a flexible combination solution. Add more units can increase the voltage or capacity. This can meet different application requirements. Widely used in microgrid energy storage, photovoltaic energy storage, computer data ROM stand-by power, UPS, etc.

BSLBATT, a leading global manufacturer and supplier of lithium-ion energy storage solutions, with the booming development of solar rooftops and other renewable energy sources, we are committed to providing innovative and affordable renewable energy solutions for residential and commercial applications.

Company Name: BSL New Energy Technology Co., Ltd. Date of Issue: 2021-03-10; Date of Expiry: ??; Registered Capital: RMB 7,300,000; Country/Territory: China; Registered address: No. 2, Lin2, Huifeng 6th Road, Zhongkai High-tech Zone, Huizhou City, 6F-1, Building 1, Lihe Kechuang Zhongkai Innovation Base, Huizhou, Guangdong, China; Year ...

Discover the power of efficiency and flexibility with the BSLBATT 5kWh Lithium Battery, centered on Lithium Iron Phosphate battery technology. Designed for applications where space is limited or where multiple batteries need to be ...

BSLBATT 48v 300Ah Li ion rack mount lifepo4 battery is a flexible combination solution. Add more units can increase the voltage or capacity. This can meet different ...

We specialize in the research, development and manufacturing of lithium-ion batteries and are committed to promoting the development of the new energy industry. Our products are widely used in home and business, electric forklifts, golf carts and other fields, providing customers with reliable energy solutions.

Discover the power of efficiency and flexibility with the BSLBATT 5kWh Lithium Battery, centered on Lithium Iron Phosphate battery technology. Designed for applications where space is limited or where multiple batteries need to be seamlessly integrated into a single system, our rack batteries redefine energy storage solutions for diverse needs.
