

Wolter power systems Kiribati

What is Wolter Power Systems?

Wolter Power Systems is a member of Wolter Group LLC and an authorized distributor for new industrial engines, exchange engines, generators, transfer switches, pumps, and mobile light towers from leading manufacturers. They offer sales, service, parts, rentals, and training throughout the state of Wisconsin.

What is Wolter group?

In 2011, we gathered our companies under one umbrella, Wolter Group, LLC to make our collective strength more easily recognizable. Now, we've taken that a step further and rebranded all of our member companies under a single name: Wolter. Think of us as a secret weapon against inefficiency.

What does Wolter do?

Our focus is on enhancing your operational productivity, turning today's expenses into tomorrow's revenue streams. Serving over 25,000 industrial and commercial customers in Wisconsin, Upper Michigan, Indiana, Illinois, Ohio, Kentucky, Missouri and Georgia. Wolter's team of 650+ employees includes 300+ highly trained technicians.
